## ABOUT ME

I'm a creative designer who have 5 years in graphic design with excellent time management and communication skills. I also have experience in the fields IT & Marketing. I am innovative since I love designing and learning new things. I also have teamwork skill because of my volunteering experience at International Youth Fellowship where I started my career.

## SKILLS

## LANGUAGE

## WORK EXPERIENCE

### Graphic Designer

2014-2020

Currently I am doing as a full-time volunteer as a graphic designer at Myanmar IYF (Youth Organization). I am mainly responsible for designing brochure, Good News Monthly magazine and event advertisement.

### Design & Printing

2016-2020

Besides designing the Magazine, I also do printing. As a freelancer, I am working for designing and printing of business card and stationery, flyer and post cards for restaurants such as Taste corner, Kyet Shar Soon and so on.
